Re: San Diego City Council, District 1

Dear Council Member Lightner,

On behalf of the San Diego Police Officers Association (SDPOA), I am pleased to inform you that you have been selected to receive our endorsement in your upcoming election for San Diego Council Member representing the 1st District. The SDPOA is the only recognized bargaining unit for the over 1,800 members of the San Diego Police Department. Our members include more than 98 percent of the San Diego Police force and represent all ranks within the department, including the Chief of Police.

We appreciate your interest in our endorsement and believe that your qualifications, character and support of law enforcement make you the best candidate. We are confident that you will work with the SDPOA and fight to keep critical funding for important public safety programs.

With our endorsement, you may use our logo and name on your website and we would be happy to link to your campaign website from the Political Action section of our website. Please contact our office at 858-573-1199 to receive a copy of our logo. Any other use of our logo must have prior approval.

Best of luck in your election. We look forward to working with you in the future.

Very truly yours,
